“ Momma June was a one of a kind lady, she loved my mother, Sister Dee, so very much and we would stay with momma June when mom would come to preach in Alabama. I feel in love with her and her giving and loving personality. Mom and her would talk on the phone almost everyday, when mom passed she was so heartbroken and we begin to talk almost everyday. We had some very wonderful days, she always called me "precious. " Jack, my honey, loved her so much also. Momma June you were like my mom, my very close friend, my confidante. I loved you so very much and I way will never forget all our wonderful talks and hearing your beautiful voice. I know you and mom are dancing on the streets of Glory. Rest assured Jack and I will see you again. We're going to miss you terribly Love you!!
